

Photo/Name	Description
 Png Jian An	Age: 26 Course: Communication and Design Media (SIT) Background: • He is the first convert in the family. • He is graduating from SIT University and now seeking God for career direction. • He involved with the RP-NYP Navs while studied in NYP but serving together with his leader to pioneer the work in SIT. Spiritual Condition: Ministering Disciple • He was with us more than 5 years. • He is still at the ministering disciple stage, learning to disciple others and grow as a disciple for Jesus Christ. • He can be a doer but may not have a deep conviction of what he is doing. Objectives: 1. To grow in his conviction of World Vision and discipleship through the faith examples of the Korean Ministry so that he will find joy in the Lord daily. (Matthew 28:19-20, Acts 1:8, Isaiah 54:1-3) 2. To purify his heart in the love and grace of God through Holy Spirit's anointing with the Father's help to remove the dross in order to bear fruit. (Jn 15:1-2, Pro 25:4)
 Ian Lim	Age: 20 Course: Games Development & Technology (NYP) Background: • He came from a Christian but divorce family. His mother is a devoted believer who brought him up in the faith. • He will be entering National Service soon. Spiritual Condition: Disciple Maker • He captured the vision of disciple-making and dedicate himself to reach the lost and establish the saints. • Currently, he is helping three brothers with two are consistently joining us for fellowship. • He has good insight of the Word and always able to share to encourage others. Objectives: 1. To grow in vision of my life by learning from how labourers live out world vision in various states of life. 2. To learn to have a heart of true servanthood towards others. (Phil 2:4)
 Joel Kok	Age: 21 Course: Sport Science (RP) Background: • Christian family. • Enjoy sports a lot. • Relational person and able to connect well with brothers. • He is going to National Service soon. Spiritual Condition: Disciple Maker • Currently, he is very available as he is waiting for National Service. • As a person, he is not passionate for Christ but able to provide good support in the fellowship. • At time, he is struggling with worldly desires and Lordship of Christ. • He may not have conviction for eternal perspective and disciple making. • He is helping two brothers with the guidance from his leader.

	Objectives: 1. He will be convinced of the vision of disciple-making in his heart, which will give him zeal for the Lord. 2. He will learn to choose faith over sight, so that he may experience God personally rather than living a man-pleasing and mediocre life.
 Glendon Mok	Age: 20 Course: Infocomm Security Technology (NYP) Background: • The first convert in his family. Lately brought his brother to Christ. • He has been growing with us from his first year in NYP. • He is going to National Service soon. Spiritual Condition: Ministering Disciple • Despite of his parents' restriction, he was able to battle for his own faith and gained more freedom to join the fellowship. • He is now following up with three brothers who are consistently joining the fellowship. Objectives: 1. To learn from the brothers how to grow in love for God and men, especially for the people he is following up with. 2. To learn how to be mentally strong, trusting in God and persevere through trials and challenges, especially in National Service. 3. To grow in world vision as he sees the work in Korea and missionaries being sent out.
 Tiffany Tang	Age: 27 Course: Mechanical Engineering (NTU) Job: Advanced Manufacturing Application Engineer Background: • Born in Christian family, her dad passed away in 2022 • She planned to leave her faith when she reached age 21 (legal age), but she met Nav at age 19 and continue with us till now. • She inherited her father's chronic disease "Polycystic kidney disease". She only knew about her condition in 2023. Her blood platelets exceed normal range and she has many cysts in her kidney. She faced the risk of stroke and heart attack and is on medication. She like sports but now cannot have contact sports. Her doctor suggested her to seek treatment in Japan. • She is the eldest in her family, has one younger brother and one younger sister. Spiritual Condition: Disciples maker • From someone who prepared to run away from faith → learn to have devotion with God, sometime out of accountability → grow in her devotion towards God → grow to pursue what is eternal and what is upon God's heart. • Her body's condition and family's condition drew her closer to God. She grows in her personal relationship with God and her love for God. • Despite her body condition, she is not self-pity but very strong in her inner spirit. She wants God to be so mark into her soul when she died. • She is currently discipling two girls who are helping some young believers • She is very faithful in helping the girls despite busyness and body condition. • She is a very capable, efficient and trustworthy worker. • She has a very warm heart inside although outwardly she may look cool. Objectives: 1. To be refreshed and ministered through fellowship with older brothers and sisters. 2. To deepen in her conviction for disciple making and prioritise her time for this.

Tricia Lee

Age: 24

Course: Sociology (graduated from SIM in May 2026)

Background:

- She is the eldest daughter in the family. Her father claimed to be Christian but encouraged his children to follow their mum's faith in Buddhism. Tricia came to know Nav and God through her 2nd sister (Alicia Lee). She accepted Christ in Dec 2021. Her youngest sister (Belicia Lee) also accepted Christ through Nav. Her mum also came to know the Lord through her 3 daughters in 2025.

Spiritual Condition: Ministering Disciple

- He has been with NYP Nav for about 4 years.
- She has good heart for God and people. Passionate in reaching out to the lost.
- Faced some discouragement and disbelief when one of her girls she led to Christ stop joining the fellowship.
- She has some pride issue towards her leader but learning to grow in this area.
- She can be affected by her own thoughts
- Currently following up on two young believers.

Objectives

1. Catch the heart of God's love through fellowship. (Eph 3:16-19)
2. Catch His world vision to invest her one life rooted in Christ, so to genuinely share God's heart in investing to help individuals walk with Christ. (John 15:5)

Alicia Lee

Age: 23

Course: Accountancy (graduated from SIT in April 2026)

Background:

- Tricia Lee's 2nd sister. The first one in the family who came to know the Lord and bring back the gospel to the family.
- Has some bitterness towards family's situation due to daily night quarrelling at home due to her 3rd sister has severe OCD condition. She ever thought of moving out from the family.

Spiritual Condition: Basic Disciple

- Accepted Christ in Jul 2021
- Lost her joy in Christ due to bitterness, comparison and unpleasant situation at home.
- Just graduated from her university study, currently focus on restoring her relationship with God.
- Used to follow up on one young believer. Not helping anyone at this moment.

Objectives

1. To learn from the brothers and sisters about their joy in following Jesus as His disciple.
2. To discover her worth in God's eyes and be convinced of His love through the fellowship.
